

# Jersey Tag

Jersey Tag is a fun and simple chasing game that can be played with 3 or more people. If you don't have jerseys, don't worry, you can also use t-shirts, scarves, vests; whatever you have at home!

What you will need:

|   |   |
|---|---|
| <p>T-shirts/jerseys/scarves, etc.</p>  | <p>3 or more players</p>  |
|---|---|

How to play:

|  |  |
|--|--|
| <p>1. Take two jerseys/t-shirts/scarves per player.</p>  |   |
| <p>2. Tuck one jersey/t-shirt/scarf into the waistband of your trousers/skirt/shorts at either hip. Only tuck in a little bit, the material should hang down to about your knee!</p> |  |
| <p>3. Spread out from the other players.</p>   |  |

4. Chase the other players and try to rob their jerseys by pulling them from their waistband. But don't forget to watch out for them coming after yours!

5. The game is over when everyone's jerseys have been robbed from their waistband.

6. Count how many jerseys you each have. The person with the most is the winner!

Some simple rules:

1. You may not hold onto your jersey when someone tries to rob it. Let it go!
2. You may only rob jerseys from people's waistbands, not from their hands.
